

# My 2022 Giving Plan for All Saints Lutheran Church

In order to continue building All Saints as a living body of Christ, I plan to support the work of this congregation with an offering of \$\_\_\_\_\_ per \_\_\_\_\_ week \_\_\_\_\_ month. In addition, I plan to support special projects that are close to the heart of this household.

Sometimes circumstances beyond our control impact our ability to give and serve. But use this giving plan as our expected gifts of time, abilities and financial support of All Saints for the coming year.
